Don - thanks for sharing this with us. I greatly appreciate the heads up. There has been progress on this effort since we last spoke about it, and I'd love to sit down and walk you through the latest info with Lisa. Can we include this as part of our discussion on the LAX Sign District this coming Monday 1/27 sometime between 1-3p?

As you know, Drollinger Properties has agreed that they will oppose any proposed police station facility on Northside lands as being contrary to our agreements in supporting the Landuse Update that brought new jobs and pedestrian oriented uses into the area. I also discussed the idea with another local stakeholder who was firmly of the opinion that a police station use was a traffic conflict if public streets had to be used to access LAX. It is clearly a use that should be south of Westchester Parkway.

Last week the WTC BID Board discussed the issue and unanimously agreed.

We hope that Councilman Bonin will continue to provide leadership that encourages LAWA to not attempt to locate a police facility on Northside Landuse Plan area property.

We will generate an appropriate letter.

Thanks. Let's catch up after your meetings with Bob!

Also - we need to reschedule sign district Mtg. Can you send me some dates that work for you and John? Want to make sure we get this scheduled ASAP so we can lock in the community benefits you guys are interested in pursuing.

Morning Don! I don't think I scheduled this so don't know what the dates are. Did you mean to send me this or were you trying to get in touch with Danny? Danny can help with Trevor's calendar.
